Florida Supportive Housing Coalition Now Accepting Workshop Proposals

Important Dates and Information:

The Supportive Housing Summit: September 23 & 24, 2019 (Orlando, FL)

When to Submit your proposals: Now

Easy online process: [Click here](#)

Submission Deadline: June 1, 2019

The Florida Supportive Housing Coalition is now accepting workshop proposals for its 2019 Supportive Housing Summit (Summit) "Creating Housing Solutions for ALL."

This year Florida Supportive Housing Coalition is seeking workshops that provide an in-depth look into the whole field of supportive housing for persons with special needs or experiencing homelessness.

The Summit is featuring 90-minute workshops to provide attendees the opportunity to explore with the presenter the practical "how-to" for developing and delivering supportive housing. Presentations will be chosen based on their ability to educate and provide supportive housing solutions, and to promote group discussion.

As the only housing conference devoted to advancing stable long-term housing solutions for persons with special needs and those experiencing homelessness, the Summit offers presenters with a unique opportunity to spread their expertise to a wide variety of stakeholders with similar goals.

Session Structure & Content

The Summit structure includes 4 Plenary Session and 4 tracks outlined below:

Track A: Policy, Practices & Advocacy

Track B: Data, Data Systems, & How It Drives Supportive Housing & Outcomes

Track C: Innovation & Best Practices In Supportive Housing

Track D: Supportive Housing Development: Funding, Building & Managing Supportive Housing

If you have any questions about submitting a presentation or whether it fits our structure, please contact Karen Koch @ karen@fshc.org. We are always seeking new and innovative approaches to helping persons live and prosper in the community of their choice.
