Annual Supportive Housing Summit

Wednesday June 9 & Thursday, June 10, 2021

The Florida Supportive Housing Coalition provides the only statewide conference devoted to addressing the affordable housing and support needs of persons with disabilities including persons with mental illnesses or substance abuse disorders, youth aging out of foster care, veterans and seniors with disabilities, and persons experiencing homelessness.

This year's Summit sponsorships offers you a variety of choices to best show your product in a virtual setting including an exhibition hall, links to your products, and your organizations' prerecordings.

The Florida Supportive Housing Coalition is pleased to announce our 2021 Virtual Supportive Housing Summit:

Merging Advocacy, Knowledge and Collaboration

The Summit schedule will include relevant supportive housing workshops such as:

- Learned best practices resulting from the pandemic
- Supportive housing development and service integration
- Supportive housing resources
- Legal implications
- State agency updates
- Grassroots advocacy techniques
- COVID Recovery and where do we go from here

Your sponsorship helps us advance our vision that all Floridians should be able to live, work, and prosper in the community of choice with the supports they need.
