

2022 SUMMIT

6th Annual Supportive Housing Summit

October 26 & 27, 2022

St. Petersburg, FL

The Florida Supportive Housing Coalition's **Annual Supportive Housing Summit** is scheduled and ready to go! The Summit, scheduled for October 26th and 27th 2022, will be held at the Hilton St. Petersburg Bayfront in downtown St. Petersburg.

The **Supportive Housing Summit** has proven to be the most valuable conference for sponsors, organizations and individuals interested in Florida's supportive housing industry.

The **Supportive Housing Summit** is the only Florida conference where federal and state policy makers, service providers, local governments, and health and human service advocates come together for a single focus - expanding supportive housing for persons with disabilities, individuals and families experiencing homelessness or at risk of homelessness, and persons and families with extremely low incomes.

As a sponsor of the **Supportive Housing Summit**, you get the opportunity to network with Florida's most committed group of individuals and organizations who understand the important role you play in the successful expansion of supportive housing for Florida's most vulnerable individuals. These individuals include our veterans and elderly with physical and mental disabilities, person with serious mental illnesses, substance abuse disorders, families involved in child welfare, children leaving foster care and starting out on their own, and individuals and families struggling with homelessness.

As a sponsor, the **Supportive Housing Summit** gives you both the opportunity to network and to join us in hearing from federal and state policy makers, developers, owners and operators of successful supportive housing programs, support service providers, lenders, attorneys, and many other stakeholders who share the same goals.

The **Supportive Housing Summit** offers sponsors a variety of choices to best show your support for Florida Supportive Housing Coalition.

There will be a two-day Trade Show for sponsors and exhibitors. All vendors who do business with, or would like to do business with, developers, owners, investors, operators, service providers and funders of affordable/supportive housing, or just to learn more about the industry and a possible role for your organization are encouraged to exhibit at the Trade Show.

Please join us as we continue to build this important annual event dedicated to advancing supportive housing's best practices for those most in need; those with the lowest incomes, with disabilities and special needs, and those who are experiencing homelessness or at-risk of homelessness.

The Florida Supportive Housing Coalition promises you an experience you will find rewarding and worth your time and sponsorship.
