Embassy Suites, Orlando/Lake Buena Vista

Kissimmee, FL 34746

2023 Sponsorship & Marketing Opportunities

SHAPING THE FUTURE

Please join us for the
Florida Supportive Housing Coalition's
2023 Supportive Housing Summit
September 12th and 13th
at the Embassy Suites by Hilton,
Orlando Lake Buena Vista South, Kissimmee, FL.

The **2023 Supportive Housing Summit (Summit)** offers sponsors the opportunity to showcase their business and their support for supportive housing and the Florida Supportive Housing Coalition. The event, growing every year, still offers that personal connection to housing developers, managers, and service providers.

Last year's Summit attracted over **30** sponsors and over **200** attendees whose goals were to expand and to improve the skills of those providing supportive housing in Florida.

This annual **Supportive Housing Summit** has become recognized as the best housing conference for Florida's affordable/supportive housing industry assisting persons with disabilities, families involved in child welfare, and individuals and families struggling with homelessness or the risk of homelessness due to a disability or extremely low-incomes.

The **Summit** brings together sponsors across the field of supportive housing including supportive housing developers, lenders, furniture companies, insurance companies, pharmaceutical companies, national trainers, and many others.

Come join us as a sponsor and meet with our attendees and other sponsors from across Florida and the nation.

The **Summit** includes a two-day Trade Show for sponsors and exhibitors. Companies who partner with, or would like to partner with developers, owners, operators, and service providers of affordable/supportive housing are encouraged to become sponsors and to exhibit at the Trade Show.

All exhibitors receive one complimentary registration.
All sponsorships receive a Standard Package* which includes at least 2 complimentary registrations, recognition on the event webpage, and public recognition and brand exposure to 1,000+ public, private and non-profit professionals who attend and/or view the FSHC website and marketing materials.

We hope you will consider joining us as we continue to build this important annual event dedicated to advancing supportive housing's best practices for those with disabilities and special needs, and those experiencing homelessness.

The Florida Supportive Housing Coalition will offer a rewarding experience well worth a sponsorship and your time.
