The Florida Supportive Housing Coalition is pleased to announce our 4th Supportive Housing Summit: Merging Advocacy, Knowledge and Collaboration. As the theme indicates the 2020 Supportive Housing Summit will bring together key players across the spectrum of systems that makes supportive housing successful.

Once again, the Florida Supportive Housing Coalition provides the only statewide conference devoted to addressing the affordable housing and support needs of persons with disabilities including persons with mental illnesses or substance abuse disorders, youth aging out of foster care, veterans and seniors with disabilities, and persons experiencing homelessness.

Merging Advocacy, Knowledge and Collaboration acknowledges the various roles Florida Supportive Housing Coalition and its partners and members share in our mission to expand quality housing and supports.

Please join us in advancing our vision that all Floridians should be able to live, work, and prosper in the community of choice with the supports they need.

This year's Summit sponsorships offers you a variety of choices to best show your product in a brand-new setting. The DoubleTree Universal has been recently renovated and Florida Supportive Housing Coalition has secured the best space to complement sponsors and vendors.
